Professional Summary

Motivated MCA student with a strong foundation in programming, machine learning, and data analysis. Skilled in developing applications using Python, Java, and modern development tools. Experienced in building projects such as machine learning models and AI-based applications using technologies like Scikit-learn, Streamlit, and NLP frameworks. Seeking an opportunity to apply technical knowledge and problem-solving skills to contribute to innovative software development projects.

Educational Details

SRM UNIVERSITY

MCA-Computer Applications- CGPA : 7.97

CHENNAI

July 2025 – April 2027 (Appearing)

KBN COLLEGE

BCA-Computer Applications - CGPA : 8.21

VIJAYAWADA

July 2022 – April 2025

Skills

C | Python| Java | HTML| CSS

Frameworks & Tools: Flutter | Firebase

Development: Mobile App Development | UI/UX Design

Soft Skills: Problem Solving |Team Collaboration | Continuous Learning

Projects

Swiggy Clone App

- Developed a mobile application using Flutter, replicating key functionalities of the Swiggy app.

- Implemented features such as user authentication, food ordering, and real-time updates.
- Collaborated with peers to enhance the app's UI/UX design.

House Price Prediction using Machine Learning

- Built a machine learning model using Linear Regression to predict house prices from housing dataset features.
- Performed data preprocessing, model training, and evaluation using Python libraries like Pandas and Scikit-learn.
- Developed a Tkinter-based GUI application to allow users to input housing parameters and view predicted prices.

Textbook Review AI Summarizer

- Developed an NLP-based web application that summarizes textbook product reviews using Transformer models.
- Built an interactive interface using Streamlit for user input and summary display.
- Integrated Hugging Face Transformers for automated text summarization.
- Deployed the application online using Ngrok for public access.
- Skills
- Programming Languages: C, Python, Java ,HTML ,CSS
- Frameworks & Tools: Flutter, Firebase
- Development: Mobile App Development, UI/UX Design
- Soft Skills: Problem Solving, Team Collaboration, Continuous Learning

Certifications

- **DIPLOMA IN COMPUTER APPLICATIONS** (Minerva Institute Of Computer Education)
- **C PROGRAMMING LANGUAGE** (GCS Institute Of Computer Technologies)
- **DIPLOMA IN SOFTWARE MANAGEMENT** (Minerva Institute Of Computer Education)
- **Machine Learning Foundations: A Case Study Approach** (coursera)
- **Data Mining** (coursera)
