Phone no : +91 9392855422

Professional Summary

Motivated **MCA student** with a strong foundation in **programming, machine learning, and data analysis**. Skilled in developing applications using **Python, Java, and modern development tools**. Experienced in building projects such as **machine learning models and AI-based applications** using technologies like **Scikit-learn, Streamlit, and NLP frameworks**. Seeking an opportunity to apply technical knowledge and problem-solving skills to contribute to innovative software development projects.

Education Details

SRM University (Chennai)

MCA-Computer Applications - CGPA : 7.97

July 2025 – April 2027(Appearing)

KBN College (Vijayawada)

BCA-Computer Applications –CGPA : 8.21

July 2022- April 2025

Projects

Swiggy Clone App

- Developed a mobile application using Flutter, replicating key functionalities of the Swiggy app.
- Implemented features such as user authentication, food ordering, and real-time updates.
- Collaborated with peers to enhance the app's UI/UX design.

House Price Prediction using Machine Learning

- Built a machine learning model using Linear Regression to predict house prices from housing dataset features.
- Performed data preprocessing, model training, and evaluation using Python libraries like Pandas and Scikit-learn.

• Developed a Tkinter-based GUI application to allow users to input housing parameters and view predicted prices.

Textbook Review AI Summarizer

• Developed an NLP-based web application that summarizes textbook product reviews using Transformer models.

• Built an interactive interface using Streamlit for user input and summary display.

• Integrated Hugging Face Transformers for automated text summarization.

• Deployed the application online using Ngrok for public access.

Skills

• Programming Languages: C, Python, Java ,HTML ,CSS

• Frameworks & Tools: Flutter, Firebase

• Development: Mobile App Development, UI/UX Design

• Soft Skills: Problem Solving, Team Collaboration, Continuous Learning

Certifications

DIPLOMA IN COMPUTER APPLICATIONS (Minerva Institute Of Computer Education)

C PROGRAMMING LANGUAGE (GCS Institute Of Computer Technologies)

DIPLOMA IN SOFTWARE MANAGEMENT (Minerva Institute Of Computer Education)

Machine Learning Foundations: A Case Study Approach (coursera)

Data Mining (coursera)
